RESORT

Allow yourself to imagine the lifestyle you've always wanted, in the home you deserve!

With a choice of four striking facades, G.J. Gardner's Robina 125 is designed to suit the contemporary family who likes to stand out from the crowd.

The stylish entry foyer opens into a private bedroom, ideal for guests or as a home-based office. Two more bedrooms are separated by a central main bathroom, with the ensuited master positioned at the rear of the home for privacy. The open-plan family living space takes in a functional kitchen with island bench, adjacent dining, a spacious family lounge and easy access to the covered alfresco area. A single garage with laundry space completes the picture.

The Robina offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences.
